Ardmin Properties' Acquires Woodfield Green Executive Centre In Schaumburg

Woodridge, IL (September 8, 2006) – Ardmin Properties Real Estate Investment Group has purchased the Woodfield Green Executive Centre, 1920 & 1930 Thoreau Drive in Schaumburg, IL. The property, featuring two single-story buildings with more than 109,000 square foot of office space, was acquired from Transwestern Commercial Services.

Terms of the deal were not disclosed.

The twin buildings and surface parking lots are located directly across the street from the recently opened Renaissance Schaumburg Hotel & Convention Center owned by the Village of Schaumburg. Major tenants include Sun Trust Mortgage, Omron, Coleman Floor Company, Tracy Cross and Taiyo Yuden.

“The entire Schaumburg area continues to thrive with economic activity and so obtaining this property allows our investors to take part in that growth,” said Joseph Ardovitch, president of Ardmin Properties. He added that the Woodfield Green Executive Centre is the second such office complex the real estate investment firm has acquired recently. Previously, Ardmin Properties purchased Governor’s Office Park in Olympia Fields (IL).

Ardmin Properties Real Estate Investment Group, Inc., headquartered in Woodridge, IL, is a diversified real estate investment firm that owns and manages a broad portfolio of commercial, retail and multi-family properties throughout the Chicago region. Founded in 2001, Ardmin’s goal is to effectively acquire, develop, manage and sell select properties. Please click on www.ArdminProperties.com for more information.
